Matches will begin at the scheduled time unless the previous match delays the start of the following one.

A minimum 20-minute warm-up (using an 8-6-6 format) will be provided on the game court prior to each match. All other warm-up or stretching should be done in the auxiliary gym.

Practice and game balls will be provided for the teams. Teams are asked not to bring balls into the gym, so as to avoid confusion over ownership of balls.

Line-ups are to be exchanged ten (10) minutes before match. Teams will be announced prior to the beginning of each match. National anthem will be performed before the 10:00am game on Friday and each of the finals on Saturday.

Brackets will be posted and updated on the wall inside the gymnasium.

Four officials will be used for each match—referee, umpire, and two line judges.

An official timer/scoreboard operator will be provided for all games. A scorekeeper will be provided by the state. The higher seed will be the home team and is responsible to provide a libero tracker.

Water coolers to fill team water bottles will be provided at each bench. Teams must bring their own water bottles as cups will not be provided and should not be used.

Locker rooms will be provided for each team, but they will be shared by multiple teams during the day. Do not leave valuables in the locker rooms. School names will be posted on the locker rooms doors.

At the conclusion of each division championship, team trophies and individual medals will be awarded to both teams.

Championship t-shirts will be sold on Friday.

Concessions will be available both days.
