### INDIVIDUAL VISAA ELIGIBILITY RULES\*

(\*Apply only to varsity athletes grades 8-12 competing in LIS/VISAA championship events)

A student who does not satisfy the rules set forth in this Article V is NOT allowed to participate in any regular season competition between VISAA member schools or any VISAA championship event (defined as a VISAA Event).

- Academic Requirement:** The student must be a regular bona fide student in good standing of the school that he or she represents and must be enrolled and in attendance at the VISAA school that he or she represents at least 30 days prior to the date of the commencement of the VISAA championship in which he or she proposes to participate to be eligible for such VISAA championship. For the purposes hereof, the term "regular bona fide student" shall mean a full-time student taking an average of four (4) hours of classroom instruction per day or at least five (5) academic classes per semester/grade reporting period and is working toward graduation requirements at the school he or she represents. For the purposes hereof, the term "school" shall mean a private, preparatory, parochial or other nonpublic school that is accredited by the accrediting agency approved by the VCPE and that does not derive its financial support from state or local taxes.
- Age Requirement:** The student shall not have reached the age of 19 on or before August 1 of the school year in which he or she wishes to compete.
- Grade Level Requirement:** Students in grades 8-12 are eligible for VISAA Events. Students below the 8th grade level are ineligible for VISAA Events.
- Conference Requirement:** Any student or school team ruled ineligible by a VISAA recognized conference is considered ineligible for VISAA Events. A conference's determination of eligibility under its rules is not appealable to the Appeals Committee of the Executive Committee or the Executive Committee.
- Senior Status Requirement:** Attending academic classes while classified as a senior at any school marks the student's last year of eligibility for VISAA Events. A student who has been classified as a senior at any school, who then transfers to another VISAA member school, is eligible for VISAA Events during that transfer year only. The student may not gain additional eligibility thereafter. Post-graduates are ineligible for VISAA Events.
- Reclassification of a student:** A school that reclassifies a student to repeat a grade must do so for non-athletic reasons and in compliance with all conference requirements as applicable. A change in grade status at any time must be reflected in all school records and publications as soon as practicable following the date of reclassification.
- Non-Conference School Participation:** Schools not participating in a VISAA approved conference may apply to participate in VISAA championship events if they participate in at least 50% of their athletic contests with VISAA member schools. Non-conference schools must comply with all VISAA tournament dates and times and VISAA eligibility requirements.
- Multisport Participation:** In order for a student to participate in more than one school sport in a season, the student must be a regular member of both teams participating in practice for both sports and participating in at least two scheduled contests for both teams during the regular season.
- Gender:** If a school maintains separate teams in the same sport for girls and boys during the school year, regardless of sports season, girls may not compete on boys' teams, and boys may not compete on the girls' teams. If a school maintains only a boys' team in a sport, girls may compete on the boys' team. Boys may not participate on a girls' team in any sport other than cheerleading and crew. In the sports of crew, as permitted by the U.S. Rowing Rules, a male coxswain may compete in events for girls, and a female coxswain may compete in events for boys. Notwithstanding the foregoing, if the Executive Committee determines the boys' opportunities for participation in athletics have been limited in the past, boys may not participate on a girls' team, unless the sport involved is a contact sport.

Eligibility to participate in interscholastic athletics is a privilege you earn by meeting not only the above-listed minimum standards, but also all other standards set by you Conference and school. If you have any question regarding your eligibility or are in doubt about the effect an activity might have on your eligibility, **check with your administration for interpretations and exceptions provided under VISAA rules.** Meeting the intent and spirit of VISAA standards will prevent you, your team, school and community from being penalized. Additionally, I give my consent and approval for my picture and name to be printed in any school or VISAA athletic program, publication or video.

**LOCAL SCHOOLS MAY REQUIRE ADDITIONAL STANDARDS TO THOSE LISTED ABOVE.**
