

2022 Tournament Info Boys' Lacrosse

Admission:

Understanding that some school facilities or venues are more conducive for the collection of gate receipts than others, the expectation of VISAA is that the host school of all VISAA championship events (beginning with first round games) will make the necessary accommodations to charge admission. After paying the expenses of hosting the contest as outlined in the Sports Committee Policy Manual, income will be sent to Dick Kemper, Executive Director within seven days of the event. The host school of a first round or quarterfinal game will absorb the deficit if the gate receipts do not cover the expenses. A school that does not charge admission will not be allowed to host a VISAA championship event in that sport the following school year.

All spectators over the age of six will be charged admission. Players, coaches, cheerleaders, school administrators and families of coaches involved in the contest will be admitted free but other school personnel, etc. will not be allowed in on passes. All other school personnel, faculty, students etc. and spectators must pay admission.

The admission fees will be:

\$5.00 – Admission to first round and quarterfinal events

\$10.00– Admission to semi final and final events

\$20.00 – Family Rate for first round and quarterfinal events (2 adults plus children)

\$30.00 – Family Rate for semi-final and final events (2 adults plus children)
